Methodology

- Source: the standing overnight rate each operator has set on Alleppey Green Tourism - 157 boats, 227 rates. Includes boats not currently open for booking. Most rates set between January and March 2026.
- Rates under Rs 2,000 per bedroom are treated as entry errors and excluded (3 this edition). Each boat counts once per category.
- A bedroom size is published only with 5 or more boats. Medians and the middle-half range are used, not averages. Per person assumes two guests per bedroom.
- These are starting rates. Peak season and festival dates cost more. Current published tariff: alleppeygt.com/houseboats/price
- Not included: shared houseboats, day cruises and date-specific seasonal rates.
